

My Angel Dust

"Athena"

Owned by Nicole Faulls

Double Sabino Tennessee Walking Horse Mare

Date of Birth: January 1, 2000

Date of Death: - - -

Athena was purchased as a yearling on Easter weekend in 2001 by her owner, Nicole. Previous to their meeting, Athena had never worn a halter. *"She was a little on the wild side,"* says Nicole, *"but she has turned into the friendliest horse. She always wants to be with people."*

Athena has become a wonderful trail horse and is a pleasure to take out for a ride when she isn't acting like the family dog. Athena and Nicole's other horse, CJ still live with Nicole in North Carolina.
